**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am extremely unhappy about the internet service provided by AT&T. They provided totally outdated DSL services that make all US like a 3rd world country on the Internet.

I am so glad that I have a choice when Sonic and other small but innovative ISPs stepped up the plate and get me a choice.

I strongly believed we need the internet service market to stay highly competitive by providing choices such as Sonic, Common Networks, and others. Only AT&T, Comcast, and their big corp are not making the market competitive.
